Sir:

In response to the Notice of Allowability dated May 24, 2005 kindly enter Applicants' comments without prejudice as follows:

Comments on Statement of Reasons for Allowance

It is respectfully submitted that while the specific features and relationships mentioned in the Statement of reasons for allowance are not disclosed or suggested in the prior art, these are not the only reasons for allowance. For example, the dependent claims 2-19 recite additional features and relationships not mentioned in the Statement, which are also not disclosed or suggested by the prior art.

In addition the Applicants disagree with the assertions in the Statement regarding the references of Beck, et al. (US 4,612,864) and Isozaki, et al. (US 4,919,058). It should be understood that the allowed subject matter is to only be directed to that subject matter which is specifically recited in the claims. Any remarks in the statement which add to or subtract from the specifically recited subject matter should be disregarded.

Respectfully submitted,

Ralph E. Jocke Reg. No. 31,029
